RE: LLOYD, STANLEY VIRGIL
Dkt. # 07CR3237-JM-1
Request to Modify Conditions of Release

Dear Judge Miller:

On March 26, 2008, the defendant appeared before the Honorable William McCurine Jr., for his initial appearance when charged with 18 U.S.C. 922(g) (1) - Felon in Possession of a Firearm. At that time, the defendant was detained pending a bail hearing. On March 28, 2008, the defendant appeared before the Honorable William McCurine Jr., for his bail hearing. At this hearing, bond was set at a $25,000 personal appearance bond secured by the signatures of the defendant and his mother. Additional conditions of release were set to include: not commit a federal state or local crime; make all court appearances; pretrial supervision; travel restricted to the Southern District of California; not possess or use a narcotic drug or other controlled substance without a lawful medical prescription; not possess a firearm, dangerous weapon or destructive device; must reside with mother; and defendant must attend school to learn to read at least three times a week.

On March 28, 2008, the defendant posted bond and was released from custody. He is being represented by Roland J. Haddad and a Motion Hearing/Trial Setting is set for April 25, 2008, at 11:00 a.m., before your Honor.

The purpose of this letter is to advise the Court the defendant revealed a history of illicit drug use to Pretrial Services. This information was not available to the Court when bail and conditions of release were set. On April 1, 2008, Mr. Lloyd reported to Pretrial Services for his post release intake interview and during this visit, he revealed he has a history of methamphetamine use. Mr. Lloyd indicated he has used methamphetamine since he was eighteen years old and last used prior to his state incarceration (10 months ago). The defendant further related he previously completed two in-patient drug treatment programs and he reports he continued to use methamphetamine.

The defendant indicates he can remain compliant with all conditions of release and is not opposed to drug testing and/or treatment. Our office contacted the defendant's surety, Grace Evelyn Lloyd, and his attorney, Roland J. Haddad, regarding the addition of drug testing and/or treatment as a condition of release. Both Mrs. Lloyd and Mr. Haddad do not oppose the proposed modification. Our office also communicated with AUSA Randy Jones, and he as well is not opposed to this modification.

Given the defendant's history of illicit drug use and his willingness to submit to drug testing, our office recommends the Court modify his conditions of release to require the defendant submit to drug testing and/or treatment as directed by Pretrial Services.

Respectfully submitted,

Evelyn Garcia
U.S. Pretrial Services Officer
